**Subject:** handicap sign

Good morning Mr. Geary. I am trying to get a handicap sign put in front of my office at 48 Mammoth Road. Parking is becoming more difficult here since I asked the city to paint the parking area (3 spots), which is great, but everyone in the area parks there now. I was told by Rodney Elliot to send you a copy of my placard and location where the sign could be placed. I hope this is enough information for you to consider this request. I would like the sign to be placed in front of my pick up truck which is the first spot in the 3 painted spots. Thank you, Dean Sarris
